SOMEONE LIKE YOU

This DVD is useful in making presentations to community groups. It was created by Melanie and Todd Toews, of Dauphin, Manitoba. They are committed to the protection of our children and the DVD titled "The Children Need Someone Like You" contains the title song "Someone like You". We have no doubt it will give you pause for thought and incentive to continue the battle against this insidious plague that endangers so many innocent and vulnerable children around the world. The DVD alone can be purchased for \$10 from C.A.S.E.
