Canadians Addressing Sexual Exploitation

A Petition to The House of Commons in Parliament Assembled Concerning:
Child Pornography/Victimization

We, the undersigned residents of Canada draw the attention of the House to the following:
THAT the creation, use and circulation of child pornography is condemned by the clear majority of Canadians
THAT CRTC and Internet Service Providers have a responsibility for the content that is being transmitted to Canadians
THAT ANYONE who uses the internet to facilitate any sex offences involving CHILDREN is committing an offence!
THEREFORE We the undersigned petitioners call upon Parliament to protect our CHILDREN by taking ALL of the necessary steps to stop the internet as a medium for the distribution of child victimization/pornography
(CRTC - Canadian Radio-television and Telecommunications Commission)
